Frome ASDA Donates to FROGS

Sheila Hedges and Liz Hutchinson were thrilled to receive a cheque for £200 from ASDA's community engagement fund, yesterday. This donation will enable us to continue supporting events for families, offering Wildlife Walks, and encouraging the enjoyment by all of Frome's open spaces. FROGS funds were starting to run low, so this was a very timely donation.

Bats at Welshmill

Our next Wildlife Walk will be led by Adel Avery of the Frome Bat Group on Saturday 7 September. We meet at 7pm for a 7.15pm start, at the Canoe Club end of the Cheese & Grain car park.

Please book a place on 01373 473909 or enquiries@fromefrogs.org.uk so that we know the numbers coming.

Children are very welcome, but must be accompanied. Please bring a torch if possible. Sorry, no dogs as we will be walking in the dark and it would be very easy to trip over a dog!

The walk will go ahead in the event of light rain, but may be cancelled if there is heavy rain or high winds.

Herbs at The Other Side

Regrettably, the herb workshop at the Roundhouse Garden at The Other Side, due to be held on Sunday 25 August had to be cancelled for lack of participants.

There will however be a further herb talk on Saturday 14 September from 2 to 4pm, when the herbalists from Radix: Centre for Community Herbalism will identify the herbs growing in the Roundhouse Garden and the local area, and tell us more about their uses.

£10 per person. Please contact Emma to book a place:
emmativey@gmail.com

Welshmill Play Park

Sadly, the play tower at Welshmill Park has been found to have some damage to the upper part of its structure. Frome Town Council hope that remedial works will be possible and will prevent the timbers from deteriorating further.

This is a well-loved piece of equipment and has seen a lot of use over the years. It received the most support in a consultation exercise amongst local children to choose what equipment was installed back in 2011/12, and we hope it can be repaired to provide further fun and challenges.
